

The 2-hour day EzeScan AUDIT Administrator Training Course provides the students with the relevant information that will allow them to administer and operate the EzeScan AUDIT software. This will allow them to create EzeScan job types that produce statistical information that can be analysed by other programs.

This EzeScan AUDIT Administrator Training Course is taught using the relevant sections from the EzeScan User Guide.

Pre Requisites

EzeScan PRO Administrator Training.

Course Agenda

A typical AUDIT Administrator Training Course Agenda is shown below.
